

Champagne Lilbert-Fils Cramant (Côte des Blancs)

This winemaker of great tradition has long been the reference point for grand cru Cramant.
-Bettane & Desseauve

Lilbert makes classic Côte des Blancs champagnes of great purity, finesse and expression. They emphasize a brisk raciness and intensely chalky minerality, and while both the Perle and the vintage wine demonstrate the intensity and complex depth of old-vine chardonnay, they are focused much more on elegance and harmony than on power. The only problem with these wines is finding them, as the tiny production is eagerly snapped up upon release by a near-cult following of clientele around the world.

Grand Cru Blanc de Blancs NV

Suave, mineral-driven citrus and orchard fruit aromas are complicated by jasmine, green tea, sweet butter and iodine. Nervy and pure on the palate, offering intense lime, orange pith and green apple flavors that flesh out with aeration. The mineral quality comes back emphatically on the finish, which clings with excellent tenacity and appealing floral character.

Blanc de Blancs “Perle” NV

This gorgeous effort begins with a notably restrained nose that only reluctantly offers up shy scents of lemon rind, green apple and cool pear. The refreshing and equally cool flavors are strikingly refined and energetic with an exceptionally fine bead to the supporting mousse, all wrapped in wonderfully authoritative, balanced and focused finish that lasts and lasts. This understated and ultra-pure effort is flat out terrific combining power and finesse.

2010 Blanc de Blancs Cramant

The vintage-dated bottling from Lilbert-Fils hails entirely from their vineyards in the village of Cramant, with the 2010 having been finished with a dosage of five grams per liter. The wine spent fully five years aging on its fine lees prior to disgorgement. The bouquet is deep, complex and very classy, offering up scents of pear, apple, toasted almond, lovely limestone minerality, a touch of crème patissière, spring flowers and plenty of upper register smokiness. On the palate, the wine is pure, full-bodied, crisp and complex, with a rock solid core, frothy mousse, excellent focus and grip and a very long, very well-balanced and still fairly youthful finish. This is quite easy to drink today, but it is clearly still climbing in quality and four or five years in the cellar are going to return handsome dividends! Excellent juice. 2016-2035+
