

# MAS DE LIBIAN

## BOUT D'ZAN

---

### **GROWING REGION:**

Rhône Valley, France.

### **TERROIR:**

From a mix of terroirs--the clay, sand and *galets roulets* mix on the high terrace (same terroir as Châteauneuf down river); and active limestone in the lower parcels. Farming is biodynamic.

### **GRAPES:**

75% Grenache / 25% Syrah.

### **VINIFICATION NOTES:**

One-third aged for 9 months in old *foudre* and remainder raised in concrete vats.

### **TASTING NOTES:**

Best to decant this wine and let it air in advance. Licorice flavor. Richly ripe but focused. Elegant structure.
