

# Domaine des Hâtes Chablis

## Chablis 2017

*There is a suggestion of the exotic lurking in the background of the softly petrol-inflected white-fleshed fruit aromas that introduce attractively textured, succulent and utterly delicious middle weight flavors that display perfectly good depth and persistence on the lightly citrus-tinged finish. This ever-so-mildly warm effort could easily be enjoyed now or held for a few years first. In sum, this is a quality village. 2021+*
