

Champagne Pierre Moncuit

Le Mesnil-sur-Oger

Grand Cru Cuvée Nicole Extra Brut 2006

The 2006 Blanc de Blancs Grand Cru Cuvée Nicole VV emerges from old vines in Les Chétillons, one of the most renowned lieu-dits in Mesnil. More of a wine than a Champagne, the VV possesses notable textural richness and gravitas, both of which build with a bit of time in the glass. This is a terrific choice for readers who enjoy Champagnes with the complexity that develops in bottle over time. Disgorged: March 2021.
