

**DIVISION-VILLAGES**  
**LES PETITS FERS 2019**  
**OREGON GAMAY NOIR**

*Division-Villages is the easygoing, less-expensive label of Division Wine, and though this wine is modeled on a Fleurie, it is more akin to a Beaujolais-Villages, as the name Division Villages suggests. It doesn't have the complexity or heft of the Fleurie but is delightful and insanely easy to drink. Serve lightly chilled.*
