

Domaine de la Folie Côte Châlonnaise

Bourgogne Aligoté 2020

This comes from approximately 100 year old 'Aligoté Doré' vines. All has been made in tank, with cool temperature fermentation after ultra-fine settling of the juice, and bottled in May 2021. Fine mid lemon yellow. Pretty nose, more fruit than floral, though there's that too. Excellent acidity with a crunchy lemon and plum fruit character. Properly long finish, this gets me salivating. Very good.
