

# Château de Lavernette Beaujolais

## Beaujolais Leynes “Le Clos” 2021

*The intense licorice aroma with a hint of youthful funk make this an expressive wine, but it has impressive concentration and elegance on the sleek and finely-nuanced palate. Long finish with a delicate citrus peel character and plenty of wet stone minerality. Just beginning a long life. From organically grown grapes. Drink or hold.*

## Beaujolais Leynes “Le Clos” 2020

*This wine has structure and a core of tannins that give shape to the black fruits. With its blackberry and spice flavors, the wine is balanced and ready to enjoy.*
