

Champagne JM Sélèque Pierry

Solessence Nature NV

The new disgorgement of the NV Extra Brut Solessence Nature is based on the more challenging 2017 vintage, but that hasn't held it back. Revealing aromas of orange oil, white flowers, hazelnuts and yellow apples, it's medium to full-bodied, layered and satiny, with bright acids and a long, saline finish.

92 pts—William Kelley, Wine Advocate, December 2023

Based on the 2016 vintage, the newly released NV Extra Brut Solessence Nature unwinds in the glass with scents of white flowers, crisp green apple, spring blossom and almond paste. Medium to full-bodied, ample and precise, it's a bright, vibrant wine with chalky structure and a long, saline finish. As usual, this cuvée is the same as the regular Solessence, but it sees longer aging on the lees before disgorgement without dosage.
