

Champagne JM Sélèque Pierry

Solessence Rosé NV

Like its white counterpart, Sélèque's newly disgorged NV Extra-Brut Solessence Rosé is based on the 2020 vintage. Wafting from the glass with aromas of red berries, orange oil, rose petals and white flowers, it's medium to full-bodied, pillowy and sapid, with a pure core of fruit, lively acids and a saline finish. Red wine from 2018 confers its delicate pink hue.

The NV Champagne Solessence Rosé Extra Brut pours a bright salmon hue and is made from 45% Chardonnay, 40% Meunier, and the rest Pinot Noir, with the base vintage coming from 2020 and the rest from perpetual reserve. A floral and welcoming wine, it lifts with a perfume of fresh roses, croissant dough, fresh peaches, and red raspberry. Medium-bodied and energetic on the palate, it turns more to its chalky and citrus profile on the palate, with notes of grapefruit pith and salty earth. Fully dry, it offers a pinpoint mousse and a crisp, clean lift of bright acidity to close it out with a mouthwatering finish. It's a snappy style to enjoy over the next 5-6 years.
